There is currently 1 error on this page.

1. My birth certificate has been updated to show the correct gender?

The gender nominated in the 'Personal details' section does not match the gender nominated in the 'Confirming citizenship' section.
Please check for errors and correct where necessary.

If your citizenship certificate does not show the gender you identify with, a declaration from your medical practitioner stating your preferred gender is required. Please provide the practitioner's details and have them complete and sign the 'Declaration sex/gender of passport applicant' that will be available in your Application Checklist once you have completed this application.
